Flexibility In Action

A.B.E.'s TwoCan Dual Lane Twist Rinse™ is as fun to operate as its name is to say. The intelligent design is engineered to maximize flexibility and safety while minimizing labor. Change can sizes from the floor with a simple flick of your wrist (and a little help from our handy lane change tool). The TwoCan Dual Lane Twist Rinse™ is a must-have addition to any canning line at an incredibly affordable price.

Note: A.B.E. reserves the right to change specifications without prior notification all specifications are approximate ±10%
